EDUCATION

University of Minnesota, College of Design
Bachelor of Fine Arts, Graphic Design, minor in UX Design — Expected June 2028

- GPA: 3.50 / 4.00

PROJECT EXPERIENCE

Floating Worlds in Print — September 2025 - October 2025
GDES 4131W - History of Graphic Design

- Researched Edo-period ukiyo-e woodblock prints and organized historical findings into an illustrated web timeline connecting traditional printmaking to modern graphic design.
- Developed a custom website from initial planning through implementation using visual coding, without prebuilt website templates or website-building platforms.
- Designed page layouts, content hierarchy, and navigation to guide visitors through historical examples and clearly communicate research.

EXPERIENCE

Graphic Design Intern — May 2026 – August 2026
College of Liberal Arts, University of Minnesota — Minneapolis, MN

- Completed five design projects, including T-shirts, socks, and Welcome Week posters, to support college events and outreach.
- Designed apparel graphics for T-shirts and socks, adapting artwork to different product formats.
- Developed Welcome Week posters using typography, imagery, and visual hierarchy to communicate event information to students.
- Created Instagram graphics aligned with University brand guidelines to promote college activities.

Student Web Coordinator — Dec 2025 – May 2026
University of Minnesota Medical School – Marketing & Communications — Minneapolis, MN

- Reviewed 20–30 webpages per shift, approximately 500 pages monthly, to support website maintenance across Medical School departments.
- Modified page layouts and column structures in Drupal using approved editing tools to improve readability and consistency.
- Evaluated webpages for accessibility, brand consistency, and adherence to University website requirements.
- Coordinated page reviews and updates using a supervisor-assigned spreadsheet to address identified website issues.

Communications Assistant Student — Dec 2025 – May 2026
Department of Psychology, University of Minnesota — Minneapolis, MN

- Researched articles shared by faculty and supervisors to identify relevant topics for department news.
- Analyzed selected articles and gathered key findings and supporting details to develop accurate research stories.
- Composed news articles and headlines that explained faculty research in accessible language for public audiences.
- Developed social media captions for Facebook, LinkedIn, and other department channels to promote news stories and research updates.

Graphic Designer and Marketing Intern — June 2025 – September 2025
Hong Nhut Thermal Refrigeration Mechanical Company — Ho Chi Minh, Vietnam

- Planned the redesign of the company magazine to improve readability, layout, and visual presentation.
- Designed magazine layouts using typography and visual hierarchy to help readers navigate product information.
- Organized machinery specifications and technical details into clear sections to communicate product features and capabilities.
- Produced promotional videos featuring machinery and manufacturing processes for Facebook and Instagram, receiving approximately 100–200 views per video.

Teaching Assistant, Adult ESL Program January 2026 - May 2026

Our Saviour's Community Services Minneapolis, MN

- Guided adult English language learners through classroom exercises, small-group activities, and individual tutoring to support English language practice.
- Assisted instructors with lesson preparation and classroom activities to encourage learner participation.

Teaching Assistant September 2025 – January 2026

University of Minnesota, College of Design Saint Paul, MN

- Coached 15–20 students per class in foundational design principles through studio activities, critiques, and individual feedback.
- Prepared lecture materials and evaluated student projects using course rubrics to provide feedback aligned with assignment expectations.

Social Media Content Creator June 2025 – Present

TikTok: @phamnguyenkiet2004 (Freelance) Ho Chi Minh City, Vietnam / Remote

- Produce short-form videos using visual storytelling for a personal TikTok channel with more than 5,000 followers and 2 million likes.
- Manage content planning and publishing to maintain a consistent creative direction and engage viewers.
